Certificate for Stockpond Water Right

CERTIFICATE NO.: 1909

DATE OF FILING: December 30, 1977

Under the provisions of Article 2.5, Chapter 1 of Part 2 of Division 2 of the Water Code,

*Chartered Land and Cattle Company
50 Oak Court, Suite 100
Danville, CA 94526*

has filed a claim of water right for stockpond construction prior to January 1, 1969, and has applied to the State Water Resources Control Board (SWRCB) for evidence of such water right.

It appears from evidence provided by the claimant and from such other information as has been obtained by the SWRCB that the stockpond described herein had a capacity of 10 acre-feet or less on January 1, 1975; that the stockpond was constructed prior to January 1, 1969; that the stockpond is used primarily for stockwatering purposes; and that the stockpond was not involved in water rights litigation between private parties prior to January 1, 1974.

Therefore, the SWRCB certifies that the above-named claimant has complied with the statute and has a water right within the meaning of Water Code Section 1226.1, to collect and hold in storage 0.76 acre-feet of water for stockwatering, including domestic and recreational use which is incidental to stockwatering use, at the following location:

*On Burger Canyon tributary to North Fork Oat Creek
being within the SE $\frac{1}{4}$ of NW $\frac{1}{4}$ of Section 7, T11N, R2W, MDB&M
in the County of Yolo.*

The Claimant's water right priority of this certificate is 1958, the date of construction, and is subject to other stockpond water rights on which certificates have been issued by the SWRCB with an earlier priority, to appropriative water rights with an earlier priority initiated prior to December 19, 1914, to water right permits or licenses issued prior to January 1, 1975, and to riparian rights.
